We met sometime ago at an LA BID Consortium Meeting. I am the Executive Director of the Westchester Town Center BID. You had presented a copy of your report to the Public Works Board, I believe that contained a number of alternatives for addressing needed sidewalk improvements. I thought you had said that an earlier report had even a broader range of alternatives. I'm requesting copies of both documents. (I'm in a time bind on this and hope my request is as easy as an email response with attachments.)

Thank you Mr. Lee.
